

GRIZZLEAD

FRENCH MARKETING AGENCY

— Since 2015

Digital Marketing

Strategy & Content

At Grizzlead, we carefully identify your target audience in France and select suitable channels for engagement. Our deliverables, offered in English, are thoughtfully translated for complete transparency. Our dedicated team, all native French speakers from Auray, France, ensures content that truly resonates locally.

Our most recommended services:

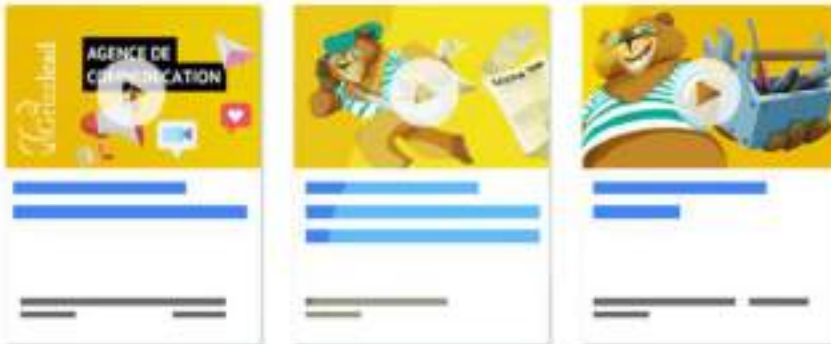

-  Communication plan and acquisition strategy
-  Multi-source dashboard with KPI
-  Competitive analysis in the French market

SEO & Google Ads

Grizzlead adeptly adapts SEO for the French context, building on existing English or German content for practical efficiency. Our team, certified as a Google Partner, also manages Google Ads campaigns with a detailed understanding of the French digital environment.

Our most recommended services:

-  SEO and SEA accounts audits
-  Google Ads campaign management
-  SEO content creation & localisation

Social media marketing

Advertising & Animation

Grizzlead is committed to creating social media content that speaks to the French market. We produce engaging visuals and animations that connect with French audiences. Our team is equally skilled in handling social media advertising campaigns, always mindful of the unique preferences of the French audience.

Our most recommended services:

- 🐾 Social media strategy
- 🐾 Community management
- 🐾 Social media advertising campaigns
